### Description

Introducing a stunning wall clock, meticulously crafted from wood in The Netherlands around 1880. This remarkable timepiece stands at 100 cm in height, with a width of 30 cm and a depth of 25 cm, making it an elegant and eye-catching addition to any interior.

The clock is adorned with exquisite decorations, including angelic faces that add a touch of ethereal charm. Surrounding the clock face are beautifully detailed paintings, enhancing its artistic appeal and historical significance.

Every aspect of this wall clock reflects the superior craftsmanship and aesthetic sensibilities of the late 19th century. The intricate carvings and painted accents not only serve as a testament
