

Band Ring In 18k Gold Adorned With A Diamond

970 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

Discover this magnificent 18-carat gold ring, certified by two French maker's hallmarks, one of which is an eagle's head, guaranteeing exceptional quality of gold at 750 thousandths.

This unique piece stands out for its finely crafted exterior with delicate moldings, creating a superb plant effect that adds a touch of nature and elegance to the ring. In the center, a raw oval-cut red garnet stone immediately catches the eye.

Measuring 1.2cm in height and 1cm in width, this exquisite gemstone is the vibrant heart of the ring. In addition, an F/G colored diamond subtly closes the ring, adding an additional precious touch.

This ring, weighing 9.7 grams, is designed for a finger size of 60. It offers a comfortable fit thanks to a rail thickness varying between 0.1 cm and 0.25 cm, and a width of 0.8 cm rail.
