

Mallard Duck - Taxidermy Mid-20th Century

80 EUR

Period : 20th century

Condition : Bon état

Material : Other

Height : 37 cm

Description

Pretty Mallard duck (*Anas platyrhynchos*) stuffed on its wooden base. In standing up position.

Beautiful naturalistic expression, clean work from the 1960s-1970s. Beautiful plumage (but beautiful ramage?), beautiful iridescent colors of the green neck and blue wing feathers.

The entire taxidermy is stable, without demestra or parasite; feathers dusted gently, to go perfectly with her soft look. Quality naturalization carried out with care.

Total height with support: 37 cm. Length of the Duck: approximately 40 cm.

Note: the webs between the fingers are slightly chipped (see final photo).
