

19th Century Music Box With Musical Attributes

1 650 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Description

Superb and elegant music box from the early 19th century, painted rosewood style. The movement consists of a brass cylinder and a steel comb protected by a window, the cover is decorated with marquetry with musical attributes. The whole thing is in perfect condition, revised by my watchmaker and works perfectly. Object of curiosity and collection of superb quality.
