Description

Charming Louis Xv style bed in natural wood and upholstery. It rests on four snail-shaped scrolled feet topped with a flower. The head of our bed is pleasantly scrolled and decorated in the center of the top with a pretty floral decoration. It is padded on its inside. The part forming the foot is also scalloped but has an additional sculpture in the lower crosspiece. It is padded on both sides. The two lompants connecting the head and the foot are scrolled and decorated in the center with a floral motif. This bed has recently been reupholstered and is therefore in perfect condition. The covering fabric is a light sandy-yellow color going towards beige and has raised plant motifs. It is designed for standard bedding of 140 cm x 190 cm. Dimensions: head height 128 cm foot height 94 cm head width 155
