### Description

Persian school circa 1900: "Types and costumes" series of twelve gouache watercolors, some with gum arabic or gold highlights, from 15.5 the kraft support, others maintained by stickers, foxing, wear and traces of handling. Although some are captioned in English, I don't think they are European work, but rather local productions that travelers brought back as souvenirs. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our stores in Pau and Biarritz and on our site: [galerielhoste.com](http://galerielhoste.com).
