Description

Le Callis workshop lamp, Vallauris 1946/1948. Iconic workshop from the start of the Vallauris revival founded by three great names in ceramics: Roger Capron, Robert Picault and Jean Derval. Atypical in its patterns, it displays the very embossed style of 1940s ceramics advocated by workshops like Madoura and Paul Pouchol. The technique used is a white crackle. Signed for sale in trIconic workshop from the start of the revival of mmmmm Lamps Founded by three great names in ceramics: Roger Capron, Robert Picault and Jean Derval. Atypical in its patterns, it features the 40s style advocated by workshops like Madoura and Paul Pouchol. Crackle technique used. In a perfect state. A rare piece from this workshop.
