Description

This fixed view projector is close to the model marketed by Maison Bonne Presse. Foundation which "brought together in a common work, a set of newspapers, publications, books, writings of all kinds, capable of serving the Catholic apostolate" and which also developed the manufacture, sale and use different types of projectors and views as support for the communication of Catholic ideas. Maison Bonne Presse published the newspaper "Le Pèlerin" in 1880 and "La Croix" in 1882 and later became Bayard Presse, still the exclusive property of the Augustins of the Assumption. In March 1899, the first issue of "The Angel of Light Projections" appeared in Lyon, the first Catholic periodical devoted to light projections which were used very early for catechism or for conferences and which
