

Neo-renaissance Bronze Brooch Putto Angelot

350 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 13cm

Description

A bronze brooch in the style of the Renaissance formed of a caryatid cherub. Superb carving of the sculpted parts, evoking the work of Louis Rault. A very fine example of the 19th century taste for revisited ancient styles (Antiquity, Middle Ages and Renaissance). France, around 1890
