### Description

Rare Henri II shuttered table in walnut wood. With a solid and simple structure, this large table with shutters in walnut wood has a square top assembled with 2 mattress pads, thickness of the top 4 cm, mounted on 4 column legs and molded spacer. When it deploys its shutters, thanks to an iron mechanism, the table becomes an exceptional dining table. Totally intact except the balls under the spacer which have been restored. Work from the Val de Loire workshops, in the second half of the 16th century. Exceptional original condition.
