Description

Cover pot in turned earthenware on which pieces of old 18th and 19th crockery were fixed. Technique visible in the house "Picassiette" naive and raw work of art by Raymond Isidore in Chartres who influenced many creators including the potter BERTOUX in Cluny. The term "Picassiette" comes from the nickname given to the creator "the Picasso of the plate". His house was classified as a historic monument in 1983. Possibility of sending, careful packaging, registered with insurance and parcel number for tracking on the internet (shipping costs).
