Height : 29

Depth : 18

Description

This magnificent bust embodies the captivating evolution of the traditional theme of Mater Dolorosa. Designed to transcend the boundaries of religious frameworks, this work profoundly captures maternal pain in a human and universal way. Inspired by artistic explorations of the 16th century, the expressive and poignant face of this representation reflects a shift toward a secular and emotional approach.

Adolf Josef Pohl masterfully captured the emotional essence of Mater Dolorosa without explicit reference to religiosity, while preserving the symbolic and cultural depth inherited from centuries of artistic history. This bust harmoniously fits into the contemporary dialogue of visual arts, engaging with modern works such
