### Description

Bust sculpture in gilded bronze from the late 19th century representing a young laughing child. Very pretty sculpture with a very expressive character and having retained its beautiful period patina. Artist's signature on the side. Note the very good quality of cast iron giving a very beautiful rendering on the face as well as on the hair for example. Very decorative piece with a very pleasant subject. Possibility of sending in France and throughout the world by secure and insured package. Invoice and certificate provided.
