Description

Buffalo Ox Crest Mask, Bamiléké, Cameroon
Grassland" I offer you this very interesting large buffalo mask Bamileke, Cameroon. The buffalo is a revered animal, it is a symbol of power, this beautiful and large mask 60 cm long, with a beautiful glossy patina, very soft, natural wood color, in very good condition, it was worn as a crest on the top of the skull. The sculpture is particularly neat, not crude as can often be found in Grass land. N'hésitez pas à me contacter, le prix est toujours négociable, sans aucun soucis !
