Description

Very pretty pair of Italian gouaches, luminous, painted in the style of the 18th century.

One depicts characters moving in an architectural landscape ,the other one a port scene animated with characters,

The second is signed with a monogram "JV" and dated 1783 at the bottom right.

However, we do not think that these gouaches are by the hand of Joseph Vernet and Hubert Robert, but that they are nicely painted "in the manner of". Dimensions of the gouaches at sight: 23.5cm x 18.5cm

Dimensions of the frames: 34cm x 28.5cm
