Description

Framed painting, Oil-on-canvas animated landscape, in this case Horseman's Walk on Dunes on the edge of the Atlantic Ocean during a sunset. This canvas; painting or preparatory study bears Princeteau's signature. René Princeteau (1843-1914), French School, painter from Libourne. Subsequent subsequent interventions on the canvas can be noted. In addition to the presence of a part for a previously repaired hole, reworks notably in the upper part of the Sky and the Ocean View but also on a dune... Perhaps a detachment of the pictorial layer seems to be the cause restorations. As for the golden frame, it has also been taken over, we also notice small gaps. Work at the end of the 19th century, beginning of the 20th century. Provenance, collection of an
