### Description

A pair of blown crystal jugs...  
And hot-glued handles...  
From the first half of the 19th century...  
By the SÈVRES glassworks...  
With this wonderful royal blue...  
In relatively good condition, just a few scratches  
from use...  
One is slightly larger...!  
They were perhaps used for oil and vinegar?...  
Weight... 1 kilo 273 gr
