

Miniature Su Copper XVIII Portrait Of Jeanne Jobert Wife Of Pierre Chomel

1 350 EUR

Period : 18th century

Condition : Très bon état

Material : Copper

Width : 26

Height : 29

Description

Oval-shaped miniature on copper representing the presumed portrait of Marie Jeanne Jobert wife of Pierre Jean Baptiste Chomel 1671 1740, famous French botanist (according to a label on a paper) Work from the beginning of the 18th century, the copper is presented in very good condition, from great freshness with quality details 12 by 9 cm, in a frame (of good quality) in wood and gilded stucco from the Empire period (in its period gilding) The whole of this "marriage" is quite "successful"
