380 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Height : 65 cm

Description

Beautiful luxury table lamp depicting a tropical bird with a large golden bush. Created by the Italian brand Giulia Mangani, circa 1960-1970. The bird and the base are made of porcelain and bear a stamp on the reverse to identify them. The tree/shrub is made of copper and can be bent into any desired position. Elaborated down to the smallest detail, the trunk of the bush is full of grooves to give it a realistic appearance. The lampshade is from the same period, in cream silk with a dark blue fringe. The lamp is in very good condition, the bird's beak has been glued back on. Dimensions: 40 x 30 cm and 65 cm high. Dimensions of the lamp base alone, without lampshade: 24 x 21 cm and 65 cm high. Height is adjustable
