Description

Pair of chiseled and gilded bronze candlesticks, in the shape of an ovoid vase, with openwork handles of garlands of flowers and falling foliage. A similar pair can be seen at the Louvre Museum in Paris. Height: 34 cm This exquisite pair of chiseled and gilded bronze candlesticks features an elegant design reminiscent of classical antiquity. Each candlestick is designed in the shape of an ovoid vase, showcasing meticulous artistic craftsmanship and attention to detail. The openwork handles are adorned with intricate garlands of cascading flowers and foliage, adding a touch of natural beauty to the sophisticated form. The gold bronze finish enhances the luxurious appearance, making these candle holders a perfect addition to any refined decor. Ideal for collectors and art connoisseurs, these
