

PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Series Of Large Consoles In Facing 1780.

480 EUR

Period : 18th century

Condition : Très bon état

Material : Bronze

Description

Description:

Chiseled and cast bronze.

These beautiful facings are designed as a console with the sides widening into volutes. The barrel is covered with a nailed parchment pattern.

Acanthus leaves and laurel garlands adorn both ends.

A bouquet of plumed leaves stands out at the top of the facing.

We are in a beautiful quality and carving and drawing. There are seven facings in total, two of which have had the plume cut with a sawtooth pattern instead. These consoles will be very easy to reuse (door pilasters, woodwork, etc.).

I acquired the lot from an old bronze maker.

There are various bronze elements or accessories from all periods, this type of supply is difficult to find especially for large models, therefore very decorative. I will present several models, and you can call me for a specific request that I can resolve if I also have this bronze element. If you would like a video of this object in order to better "understand" it, or detailed photos, do not hesitate to ask us, we will send this to you by email or by Whatsapp.

Conditions of sale: -> we only work on the Internet but we can receive by appointment, we will then collect the objects that interest you from our depot in Blaye to present them to you with us.

-> We guarantee the authenticity of all our objects. Our objects are cleaned and restored to be as close as possible to the original appearance.

-> Shipping costs: free for France and the whole world (these conditions are valid for all countries in the world served by La Poste or carriers). ->

Your items will be delivered to you in professional packaging, individually insured by AXA ART.

-> Do not hesitate to ask us for additional photos.

In order to overcome the only fault of the Internet which is the impossibility of "touching" objects, you can receive your object to discover it fully and keep it or return it while maintaining your freedom of choice (our packages are reusable).
