Antique Italian still life from the first half of the 18th century. Oil on canvas painting depicting a wonderful vase of flowers of great pictorial quality. Also noteworthy is the fruit in the foreground placed on a marble windowsill. With a refined play of perspective the cherries seem about to fall creating a splendid trompe-l'oeil. Scenic 20th century frame in carved and gilded wood, with some signs of aging. Artwork already restored with relining, replacement of the frame and re-coloring in small spots. Overall in excellent condition. Sight size H 58 x W 72 cm.
