F.k.lippert Weidblatt Hunting Dagger Knife

8 500 EUR

Signature : Scherping a Hannover

Period : 20th century

Condition : Bon état

Material : Wrought iron

Length : 38 cm environ

Description

Extremely rare weidblatt knife by Friedrick Karl Lippert from the 1930s.
Original period piece guaranteed!
in its original sewn leather scabbart
the two tools in the sheath are custom made replacements.
design by Lippert, oberforstmeister and friend of H. Goring
we find the wolfsangel and hunting horn on the guard and the stylish German weapon on the pommel.
Made in very small quantities by Scherping in Hannover (we are talking about no more than ten pieces)
see markings on the blade on both sides
