Description

Elegant curved chest of drawers with three rows of drawers. Charming curved lines, our chest of drawers is imbued with nobility while being "a little" rustic. The top and the uprights of a beautiful honey-blond oak. The two drawers in the upper part: each 48 cm/45 cm The two large drawers: 104 cm/49 cm The fittings are original and in good condition. The drawers are in good condition and covered with clean non-woven paper. Around 1750/60. Without doubt, Manche work. Nice model.
