

## Large Walnut Chest

5 200 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Wallnut

Width : 143

Height : 90

Depth : 63

Description
-------------

Rare and interesting chest in walnut veneer and inlaid decoration from the 18th century. This is good quality work from the Montbelliard region. It is remarkable for its size, as well as its quality of manufacturing and materials. It opens from the top and has a key. Furniture restored by us, filled-waxed finish.
