

Louis XVI Style Chandelier

3 800 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Bronze

Diameter : 66 cm

Height : 88 cm

Description

Very generous hot air balloon chandelier in gilded bronze, and garlands of glass beads. This chandelier was born electrified, and has 12 bulbs arranged to be hidden by the beaded garlands.

This is a production from the very end of the 19th century. This chandelier has been completely restored, that is to say dismantled, cleaned and re-electrified. It can therefore be used safely.
