Description

This desk table opens at the waist with a large, slightly molded surface-mounted drawer with turned buttons. It rests on four hunchbacked saber feet ending in brass rings. All these elements are made of acacia. The crosspiece is doweled and covered with an ogee molding. The miter-cut ash framed top with corbin beak is covered with brown back leather with gold vignette, corner motifs and central motif. This desk, which can also be used as a table, will appeal among others to lovers of period furniture for its charm and warm color. ***** Period: 1st Part 18th Century Excellent condition. Waxed finish. Additional photos available by clicking on the following link:
