

19th Century Carrara Marble Top Violin Pedestal Table

1 300 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Length : 125

Width : 83

Height : 73

Description

Elegant walnut pedestal table, violin shape, opening with two molded belt drawers. Mid-19th century. The top is in Carrara marble. Note some marks on the top due to its use. It rests on 4 arched legs joined by a sinuous shaped spacer, decorated with a spinning top. The legs are on casters, which allows this middle table to be moved easily.
