Pocket Watch Holder, Napoleon III

360 EUR

Signature : inconnu

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

Carved wooden pocket watch holder with plant decoration within which the watch hangs. The watch holder is French from the Napoleon III period. Beautiful condition of the wood relief engraving depicting a small potted shrub. The plaque measures 15x23 cm. Good condition despite some xylophagous work.
