Description

Very nice gentleman self defense folder
Back locked single edged clip point carbon steel blade with false edge, faceted lock tab
Wonderful mother of pearl slabs over steel liners fastened by three rivets, nickel silver bolsters
Overall condition are good to very good, blade looks to be almost full with some up and down play in the locked open position
Some overall pitting to the steel parts due to time but no rust. It could be easilt cleaned up but I leave the choise of the type and degree of the cleaning to the future owner
Few naturallines of separation to the sclaes
The knife measures nearly 11,5 cm long when folded and 20,5 cm long when blade is out

The item will be shipped via DHL in Europe,
