

Bacchus, Engraved Copper Matrix For A Print

130 EUR

Period : 19th century

Condition : Très bon état

Material : Copper

Width : 8 cm

Height : 12 cm

Description

Interesting small copper plate engraved by an artist in the 19th century, intended to create an engraving series. It is nailed to an original wooden support. The theme is an adolescent Bacchus pressing a bunch of grapes into a cup. The treatment is nervous, virtuosic, typical of the mid-19th century, of the academic and cultivated movement. unsigned
