

Follis De Licinius Ruby And Diamond 18k Gold Necklace

1 000 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

Vintage 18k gold necklace incarnating an ancient coin from the Roman Empire: a Follis of Licinius in a setting with four small diamonds, and polished ruby beads. Eagle's head hallmark and a goldsmith's hallmark at the clasp. Gold and diamond tested. Beautifully made and in good condition, note: the knots between each small ruby pearl have distended a little, white traces at the level of two pearls near the medallion.
Dimensions: length 43 cm, central part where the piece is located 2.6 x 2.6 cm. Total weight: 23.1 g.
