Description

Rare old table, from a protected site in Lozère. This unique piece, once a transformed beehive, is composed of an iridescent slate top and a foot made with a similar top. Two wrought iron circles adorn the table, adding a touch of character. Coming from a protected site, this table embodies the heritage and artisanal know-how of the Lozère region. A unique table that can be used for a garden or interior. Delivery possible on quote. Don't hesitate to ask for more photos or additional information.
