

Large 1970 Lamp In Lucite And Marble 60cm Profile Of Young Woman Altuglas Thick Plexiglas

400 EUR

Period : 20th century

Condition : Très bon état

Material : Acrylic

Height : 60 cm

Description

Important lamp from the 70s/80s.

In transparent lucite (altuglas, plexiglass).

The upper part is a representation of the profile of a young woman which is inserted into the base.

The base is in gray marble in which is nestled a small neon diffusing its light in the thickness of the altuglas.

The effect is spectacular.

Dimensions:

Height: 60 cm.

IN VERY GOOD USED CONDITION,

operational electrification : as on the pictures.
