Description

Strip of wallpaper "The Shipwrecked", circa 1850.

This strip consists of a central scene, that of two castaways, framed by ornaments of perfect symmetry in golden-toned tresses on a brown background (windings, crabs at the corners... .) on a brown background. The central scene depicts a rough sea and two shipwrecked people near rocks, a woman and a man. The woman standing, head held high, brandishes a white cloth with her left hand to attract the attention of a ship, while the young boy clings to her. Next to them, a basket containing a red cloth overturns into the water.
