

## Important Animal Bronze Signed Rosa Bonheur The Pointing Dog Hunting Dog Pointer At Stop

1 800 EUR

Signature : Rosa Bonheur

Period : 20th century

Condition : Très bon état

Material : Bronze

### Description

This large animal bronze is in very good condition, with a beautiful medal patina and some minimal traces of time. It is signed on the R. Bonheur terrace. Note: the tail appears to have been broken and restored. I think it is more of a three-part cast (tail, trunk and neck), with the neck also having discrete assembly marks. Length: 80 cm. Weight: 22.8 kg. This sculpture is too large for me to send. It can be picked up on site in Saint-Marcellin, halfway between Grenoble and Valence.
