

"travel" Reliquary In Paperolles - 19th Century

130 EUR

Period : 19th century

Condition : Bon état

Material : Horn

Diameter : 4,5 cm

Description

Pretty reliquary,
called a travel reliquary, circular in shape,
containing 3 relics with handwritten labels
(Agnus Dei, Saint Lucy and a Venerable)
surrounding a polychrome plaster virgin, in the
middle of a pretty paper work.
The whole thing is covered with blown glass in a
circular shape, not fixed.
The box appears to be a marquetry of ox horn
elements.

Total diameter: 4.5 cm

The lid and the box are pierced. The reliquary
was undoubtedly connected to a cord in the past.
Rare cracks on the edges of the case due to time.
Old restoration of the lid (see last photo).
