Description

St. Germain Very Elegant and Important French Louis Quinze Pendule, Circa 1750

The gilded bronze case signed St. Germain = Joseph de Saint Germain master in 1746.

The original dial and movement signed Stollewerck a Paris = Michel Stollewerck was master in 1750.

The brass back plate of the movement hand engraved with the name of the clock maker "Stollewerck a Paris"

A identical pendule is in the collection of the Louvre Museum in Paris

The original movement still with the original verge escapement which is very rare for this type of 18th century clocks.

In fully working order, striking on a bell every 30 minutes.
