Description

Series of 6 70s period chairs in fiberglass and black leather covering. Very interesting series in very good structural condition with its Effel tower type bases not repainted with their original paint which can possibly be partially reused if you want perfect condition or left as is to maintain beautiful authenticity. Model created by Charles Eames in the 1960s with here the polyester shells covered in black saddle-stitched leather. Beautiful series so can be used on a daily basis and kept as collector's items. Possibility of sending to France by professional carrier. Invoice and certificate provided. Seat height 44 cm.
