Height : hors tout: 58 cm. vase: 27 cm.

### Description

I offer you this pretty Chinese vase, mounted as a lamp in the 1980s. The lamp works, the wooden base is from this period. On the other hand, the porcelain vase dates from the end of the 19th century. It was pierced for the base but otherwise it is in good condition, apart from a bit of cleaning which would be appreciated. The lampshade, of good quality, is at your discretion.
