This is the initiative and thanks to the perseverance of the knotters and merchants of Kashan.

The manufacture of these beautiful, very resistant carpets is certainly recent, but the skillful and precise knotters as well as the "Ostads" cartoon designers have imposed their know-how thanks to the perfection of their work and the breadth of the range of designs and colors.

Second holy city of Iran, 150 km from Tehran, Ghom is a major theological center.

The knot used is the Persian knot tied very tightly. (see photos)

The decorations of plants and animals, as well as the use of wool and silk are done regularly.

Marketing is done under several names: Qom, Ghom, Gom, Qum, Kum, and Ghoum. ## Our model decorated with a medallion and plants is in very good condition in a beautiful classic spirit and presents very pleasant colors.

Old pink, wine lees, pale blue, ivory, black, make up this charming piece.

The border decorated with large stylized flowers on a pink background.

The medallion takes the shape of the Kashan medallions, filled with stylized flowers and accompanied lengthwise by two large pendants in the shape of a halberd or fleur-de-lis.
