Description

Small vase in blown and enameled glass with floral decoration, made at the end of the 19th century. Fern green in color, our vase is decorated with a pretty decoration of small garlands of flowers and golden highlights. A very pretty work of undulations has been done on the edge of the neck. It is in very good condition, some small and discreet wear is to be noted in the decoration. Shipping costs Metropolitan France 10 euros, other destinations contact us
