Description
-------------

Charming 2-part mahogany bookcase dating from the 19th century. The lower part is composed of two doors on either side of a niche opening onto shelves. Above are 3 drawers. The upper part is composed of 3 glass doors. The whole is carved with straight lines and stylized floral motifs. This large piece of furniture is a wonderful French work from the 19th century. This bookcase is a historic piece, full of charm and elegance. The bookcase with glass doors is indeed a typical piece of furniture from the Louis Philippe period. France 19th century - Louis Philippe period The Louis-Philippe style is located between 1830 and 1848 approximately. It is a massive and comfortable style, influenced by the Renaissance, the Middle Ages and the Louis XV style, while remaining very close to the Restoration. At this
