Description

Oil painting on canvas from the early 20th century in the Art Deco style and period. Very interesting piece representing a young woman in a blue dress, very much in the spirit of Pablo Picasso's blue period and attributable to Louis Ellis by his very typical style around the 1930s. Note the sensual and deliciously mysterious side of the subject. Obvious mastery of the artist who was able to revisit the influence of El Greco in his era of the 1930s. No visible signature, work to be attributed therefore. Magnificent presence of this very beautiful painting which will brighten up a beautiful interior. Possibility of sending in France and around the world by professional carrier or by secure and insured package. Invoice and certificate provided.
