Description

Here is a rare perpetual calendar, in dotted engraving with Putti in the upper part. It bears the title "The Dawn with Rose Hair", and is composed of windows for the signs of the zodiac, days, date, sunrises and sunsets, length of days and nights, and seasons by toothed wheels in cardboard on the back. Model engraved by Gautier after Guaio Regni. Rare and curious item, deserving a nice frame!!

Used condition with some stains, and unfortunately the lack of two toothed wheels on the back. Thank you in advance for looking carefully at my detailed photos, I hide nothing! French working dating from the first part of the 19th century.
