Description

This fine and impressive vintage necklace has been hand crafted using solid 14ct gold. The entire necklace was handmade in the 1920's in Germany and is ornamented with an articulating fringe style design, composed from conjoined triangular links accented with graduating vertical style terminals. This substantial gold and diamond necklace secures to the reverse with a push fit clasp, and benefits from the added security of a figure of eight hinged catch. The clasp with a single stone diamond in the centre. The five links nearest the centre on each side set with round cuts of 1 x 0.04ct .2x0.10ct 1 x 0.15ct. 1x0.20 ct. The centre large link with a raised round white gold cluster of 1x0 15ct surrounded by 12x0.05ct including the clasp total diamond weight estimated as approximately
