

Lamp Worked Hand Made Murano Glass Slider Necklace

170 EUR

Period : 20th century

Condition : Parfait état

Material : Glass

Description

Created with the *Lume technique*(Lamp-working) these solid beads in pure Murano glass are characterized by their sturdiness and resistance.

Characterized by series of matt blue glass rings, that differ in ribs and hues.

They fasten round the neck to enhance the face and enlighten it. The sliding barrel is also made of glass and is snug and does not slip down on the silk thread, it stays where you want it to adjust the length.

Material: Murano glass.

Color: blue.

Origin: Entirely handmade in Italy.

Technique: Lampworking.

Dimensions: Adjustable. It can be wear around the neck or longer as a sautoire.
