Description

5-light chandelier, patinated bronze frame and transparent crystal pendants.

The body of the chandelier is made up of four molded glass tubes and a crystal ball.

Note that in addition to the 5 lights, 3 non-essential bulbs can be used to illuminate the interior of the chandelier, thus giving more shine to the pendants.

It should also be noted that on one of the 5 light arms, a bronze hook is missing to hang a pendant, but this is not visible in an overall view (see photo).

French work from the beginning of the 20th century.

All our lights are fully restored by our workshop, both in terms of the structure and the electricity, and are therefore in perfect condition of
