Description

Ve P Sormani et fils Paris. Writing desk, small cabinet, in black leather and silver-plated brass. It opens from the top and with two doors, revealing a mail case, a writing desk and lockers, the interior is in black leather highlighted by silver-plated rods. The doors are decorated with a large openwork pattern, spandrels, silver-plated brass rods and silver braid with small irons. Key missing. Very good general condition. (Small tears to the pockets, inside a door) Two bottles with silver stoppers (not original). Period: late 19th century.
