Description

Spray on canvas measuring 54cm x 73cm plus slightly damaged rod 60cm x 79cm Jean SAVY's painting is Spray Spray painting is a particular technique that requires a certain know-how that Jean Savy does not lack. Jean Savy has a personal technique which is to paint with spray. But rest assured his dexterity with this process is such that you have to know it to determine it. He works flat or on a table, on canvases of all sizes to give free rein to his inspiration and his creation. His attraction to painting is recent, about fifteen years. He creates his works by letting himself be carried away by the push of the spray, which makes each canvas a unique, inimitable and atypical work. In this everyone will be able to determine or imagine their representation of the work observed. In order not to sink into a kind of
